

Quinault Indian Nation – Division of Natural Resources

Taholah, WA

Forest Roads Manager

The Quinault Indian Reservation (QIR), located on Washington State's scenic Olympic Peninsula, includes approximately 160k acres of timberland producing 47 million board feet annually. The Quinault Division of Natural Resources is seeking an experienced professional to oversee approximately 2,100 miles of QIR roads in support of forest management activities.

Salary and Benefits

\$78,412 - \$109,776 annual salary, commensurate with qualifications and experience.

Benefit package includes full health, vision & dental insurance (no premium), 401k w/match. QIN Employees enjoy a **32-hour work week** (M-Th); 14 paid holidays; paid annual and sick leave, growing with tenure.

Primary Functions

- Acts as lead technical expert for development and maintenance of the QIR's forest roads network
- Prepares and administrates road use agreements for commercial hauling
- Sources and executes grant-funded road improvement projects
- Oversee the development and use of gravel pits utilized for road projects
- Provides technical review of department harvest proposals
- Communicates management objectives to Tribal officials and individual Indian Trust landowners
- Budgets and provides contract oversight to road maintenance projects
- Maintains strong business relationships with local industry, contractors, and other stakeholders
- Provides input to all forest management activities as a member of the QDNR Interdisciplinary Team

Qualifications

Minimum qualifications: Bachelor's Degree (BS) with major study in forest management, forest engineering, civil engineering or other related discipline, plus four (4) year of related professional experience.

A combination of relevant education and related work experience with the ability to demonstrate the knowledge, skills, and abilities outlined below, may be considered.

Preferred qualifications: Previous experience with road layout and engineering, common road construction & maintenance practices and equipment, culvert/bridge sizing methodology, and GIS. Demonstrated experience in project management. The successful candidate must be able to pass a federal background check, and drug screening; hold or have the ability to obtain a valid Washington State driver's license and have and maintain the ability to be insured under QIN auto insurance. Candidates must have the ability to work outdoors in inclement weather and rugged terrain.

To apply, please visit <http://www.quinaultindiannation.com/jobs.htm> and complete a QIN job application. Send your application, cover letter, and resume by email to the QIN Human Resources Dept. at jobs@quinault.org. For further information regarding the details of this position, you may contact Eric North, QDNR Forest Manager at enorth@quinault.org.
